Customer Service

Overview

Tranz Global Inc. is a family-owned business servicing the international industry for over 30 years. We have built our reputation on our expertise, quality parts, exceptional customer service and strong financial support.

MARKET KNOWLEDGE

Think of us as your **PROCUREMENT** specialist.

TECHNICAL KNOWLEDGE

Our experts can assure our offers will comply with your requirements in the "3F" - **FIT, FORM, FUNCTION**.

SAVINGS

Committed to a Win-Win Strategy, we will always endeavour to bring **COST REDUCTION** throughout the supply chain.

OEM

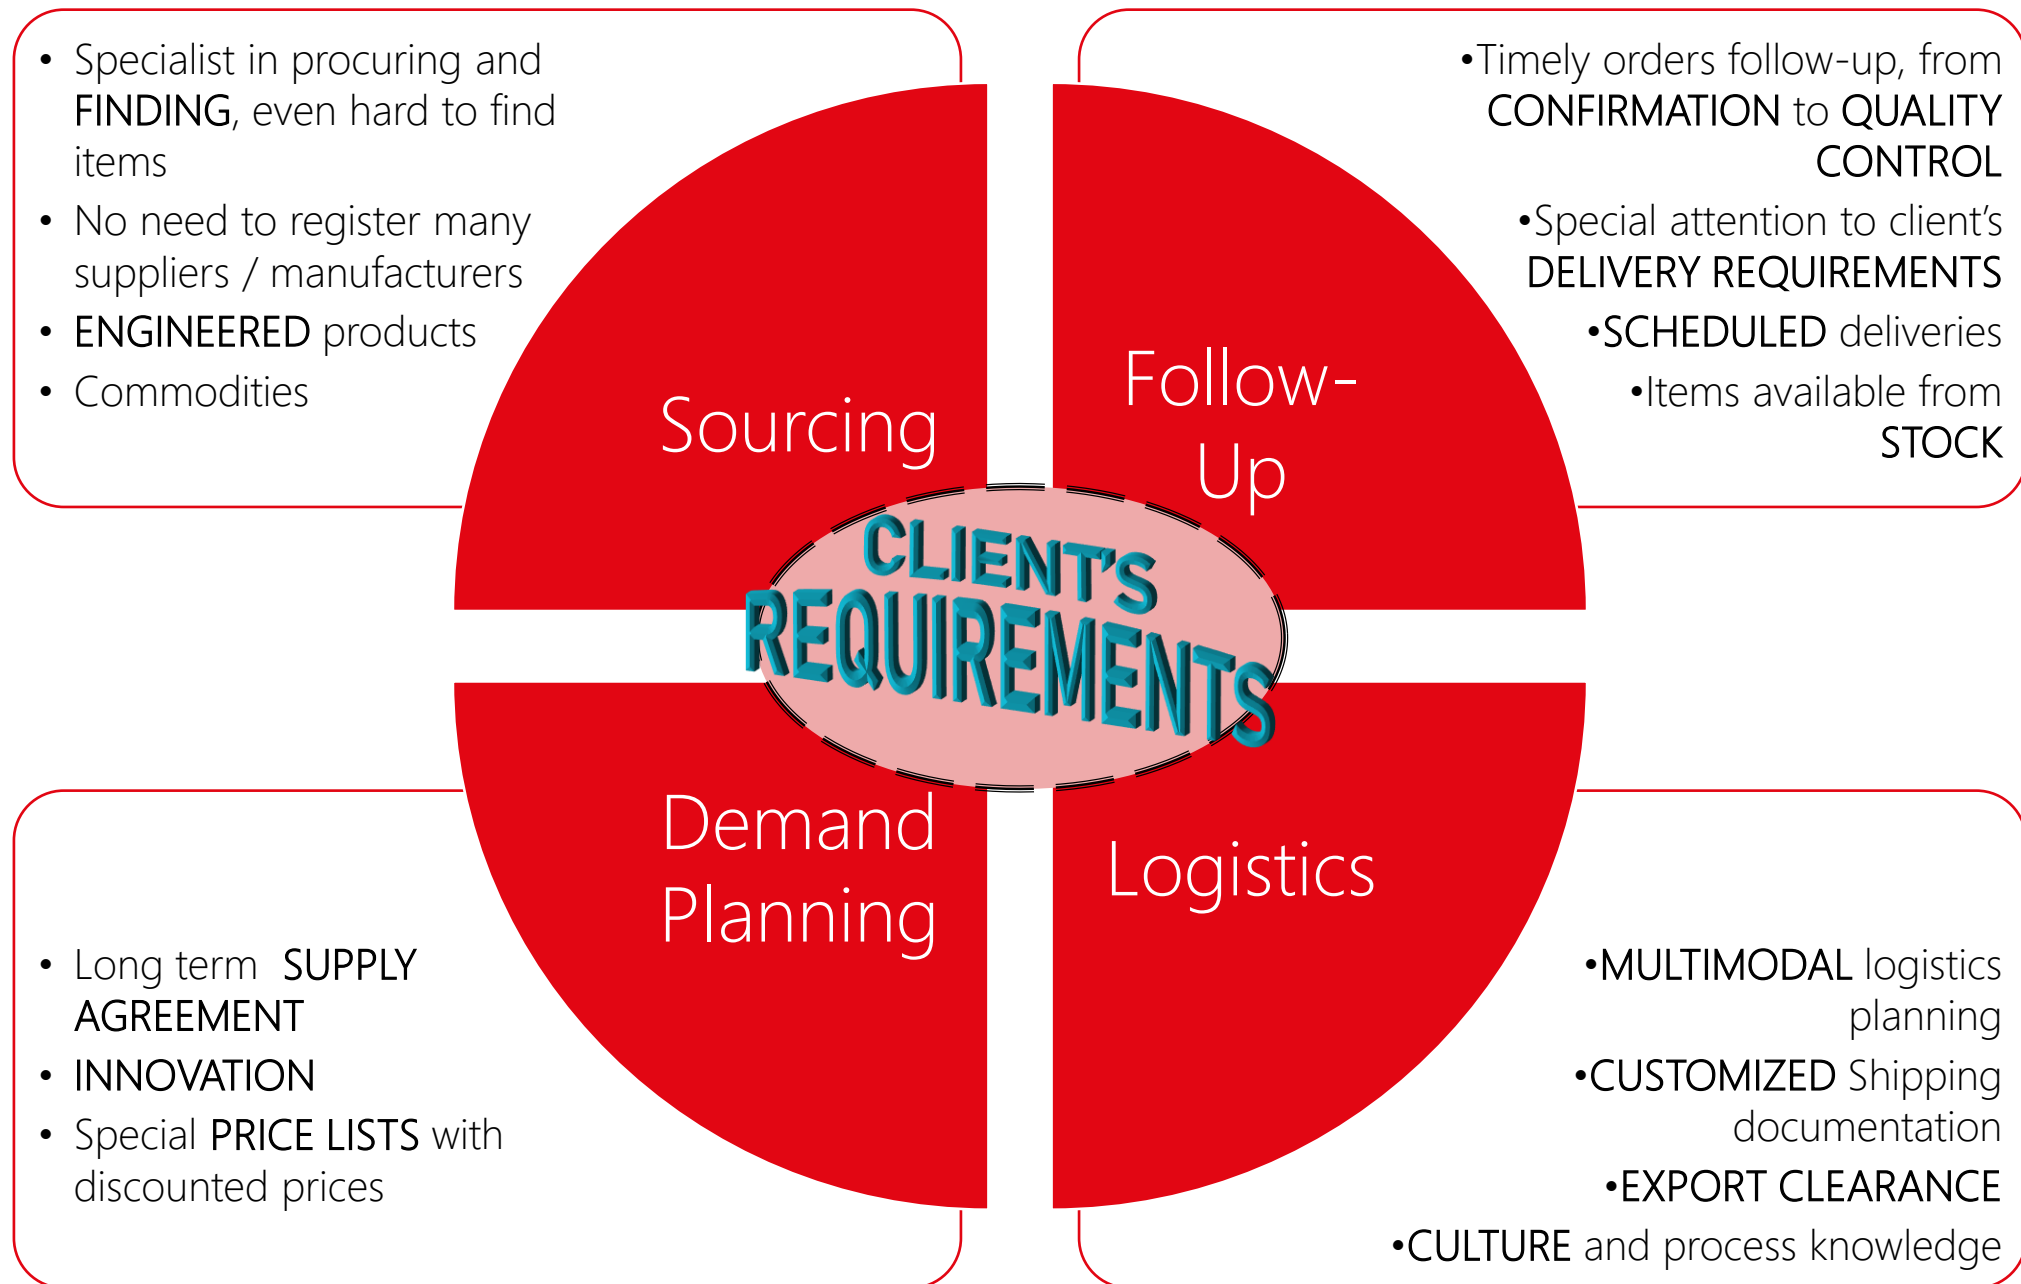

Strong & intimate Business Relationship with High Quality **OEM** and **CERTIFIED** manufacturers.

LONG TERM RELATIONSHIP & CUSTOMER SATISFACTION

From the railway industry, where we started and continue **DEVELOPING BUSINESS**, up to the new fronts of renewable energy and IT.

• Integrated Solutions Provider •

Industries

Multi-sector

With focus on collaboration and always on the lookout for **overlapping opportunities**, we developed through different industries. Exchanging knowledge, resources, practices, and technologies across distinct industries, we create new approaches, solutions and innovations, leveraging our strengths and expertise to enhanced **efficiency, growth, and competitive advantage.**
